

WWW.SWUHEALTH.ORG

Dear Pool and Spa Managers and Owners:

Every commercial Pool and/or Spa is REQUIRED to have at least one properly Qualified Pool Operator (QPO) monitoring and checking the pool and/or spa at least once each week. The individuals listed below teach courses that meet the requirements of Utah Administrative Rule R392-302-29(1).

**National Swimming Pool Foundation's
 Certified Pool Operator (CPO) Course**

The first day of the course is available online at www.nspf.org A complete list of instructors and classes are also available.

Please remember that it is recommended that a single QPO not be assigned to more than twelve public pool or spa facilities, or fifteen individual pools. Thank you for your cooperation in this matter. Please contact us at 673-3528 extension 2580 if you have any questions or comments.

Sincerely,

Southwest Utah Public Health Department
