

STOP THE BLEED Training Kit

Please fill out this form to request a STOP THE BLEED Training Kit. You will be required to pick-up and return the kit(s).

A course instructor is available upon request, but we encourage community partners to become trainers themselves to spread awareness and education on STOP THE BLEED throughout our region, creating a more emergency/disaster resilient community.

For information on the next "Train the Trainer" class, contact Mike Gale: mgale@swuhealth.org or 435-986-2579.
